

**In Zambia - street children are being brought home again, families are learning sustainable income projects and communities are healing. The Gospel of Jesus is being lived out.**

**Indigenous leaders of Chisomo Zambia are doing all they can to meet these needs. Will you help too?**

**Go to [CoLaborersInternational.com](http://CoLaborersInternational.com) & find out how you can volunteer from anywhere in the world using your talents! Give toward a special need! Discover out how your church can connect to church plants abroad! Pray!**
